January 4, 2012

Dear Parents/Guardians,

On Tuesday February 14, 2012, Wheeler Ave will be hosting a Jump Rope for Heart event to raise funds for the American Heart Association. Donations are **not** required to participate in this activity. We hope you will support your child's participation in this lifesaving, educational experience. In order for your child to participate in Jump Rope for Heart please fill out and sign the permission slip below, and return it to their teacher.

We are thrilled that our school is participating in this very special community service program. When your child participates in Jump Rope for Heart, he or she learns rope jumping activities, and healthy behaviors that promote heart health.

The money students raise is used for research, professional education and training, and community services. If you choose to donate please make checks out to the American Heart Association or go on www.heart.org/jump and click on the "Students Sign Up" button. **For the safety of our children we ask that your child not go door-to-door or ask strangers for donations.**

On event day, please make sure your child wears sneakers and clothing that will not restrict their ability to jump rope.

If you have any questions about Jump Rope for Heart, please contact us at 568-6140. We look forward to your child's participation in this very important event.

Sincerely,
Mrs. Janet Miller
