Celebrates Summer Reading

READING LOG

Dear Dever Students:

Over the summer you are required to read a minimum of **6 books**—but I hope you will read many, many more!

Record the title, author and # pages of each book you read on the **Reading Log**. Feel free to add more sheets if you read more than 20 books.

If you don't know where to start—why not try one of the **TOP 20** student picks for your new grade level. You can find these recommendations on the summer reading link on our district webpage.

Don't forget, in September your teacher will collect the logs. I know my favorite part of returning to school is finding out about what you've been reading! Be prepared to share your favorite titles in library. Create a bookmark with one of your recommendations in the space on the right.

Have a great summer!
Ms. MacDonald

P.S. Don't forget to join the Summer Reading Program at your public library.

Name: _____ Teacher: _____

P.P.S. And don't forget about my "**Don't Let Your Brains Turn to Mush Challenge.**"
The Goal: To read 100+ books. Remember **every** picture book has **32** pages.
So...for example, a chapter book with 96 pages will count as three books!
