Valley Stream Thirteen Celebrates Summer Reading

Summertime is a great time to read. This is your job over the summer:

- 1) Read a minimum of 6 books and record what you have read on the Reading Log.
- 2) Make a Summer Reading Bookmark.

Please feel free to read what you like. Don't know where to start? Get suggestions from your friends and family, or use the suggestions from the Valley Stream #13 website. In September, your teacher will collect this sheet - your bookmark can be done on any paper you like, and on any book or magazine you have read.

Happy Reading!
Mrs. Tannen
